City Recreation Officials Tell Kids to Go Fly Their Kites

"Go fly your kites," recreation officials told the kids of Torrance this week.

And to make it easy, the officials posted diagrams for making kites and listed a bunch of kite-flying rules. The city's recreation department got itself into the kite-flying business this week when it announced a city-wide kite contest for all the young citizens under 15 years of age.

To be conducted on a playground basis, the contest will wind up March 24th with a finals round at the Torrance Municipal Ball Park, beginning at 2 p.m. Before that, the preliminary contests at each playground must have been completed by March 17.

Rules Posted
Rules are being posted in all the playground areas, but here are some of the more pertinent ones:
Kites may be home made, or made from a kit.
Each entrant must fly his own kite.
Two age classifications will be used for judging the contest—kites flown by those 11 and under, and those flown by kids 12 to 15.

Awards Listed
Awards will be made for (1) largest, (2) best workmanship, (3) sweepstakes, (4) best home made flier, and (5) best flier ready made or kit made.
Flying awards will be made according to the amount of string out after a certain flying time.

For information about when the preliminaries are at each playground, kite fliers should check with the leader at the area nearest their home.
Ribbons and framed certificates will be awarded the various winners.

Attebery Dances To Continue

Saturday night dancing at Attebery's Barn, 4106 Sepulveda boulevard has not been moved to the Lomita VFW Hall as was implied in a story released last week, according to Mrs. M. E. Attebery, owner of the recreation center.

Modern, folk, and square dancing will spotlight the dancing this Saturday night as always, she reported.
In place of the western band which has played at the hall for the past several weeks, music will be furnished by Mrs. Fern Williams, a long-time favorite pianist among square dance followers. A well-known fiddler and caller will also be on hand.

Admittance to the dance is free with donations accepted at the refreshment table. Mrs. Attebery said.

PAYROLL DISGUISE
When women were first employed by the federal government, about 1880, they were listed on the payrolls in the name of a male relative.

Michael Paisley makes lending a friendly business

This is the friendly manager of the local Personal Finance Company office. Even though lending money to folks here in Torrance is his full-time job, he believes that no one should borrow unnecessarily. But when a loan is to a person's advantage, he likes to provide folks here with needed cash promptly and privately.
He gets a lot of satisfaction out of his job, for the service he renders is a helpful one. And there's no "doing-you-a-favor" attitude.
He makes borrowing money a simple, friendly transaction. He makes loans to men and women both single and married, and

everything is kept strictly private. No outsiders are involved. He arranges convenient monthly payments to fit every budget and charges are made only for the actual time the money is kept.
If you decide that a loan is to your advantage, be sure to come to see the Manager of the Personal Finance Company today. If you phone in advance, he will make all arrangements so that when approved all you have to do is to sign and pick up the cash. Or, if that's inconvenient, phone or write and he'll tell you how to get your loan entirely by mail.
